bellepranusha@gmail.com www.linkedin.com/in/belle-pranusha-031047312 Chennai,

India | (+91) 7382824044

SUMMARY

Motivated computer science student with expertise in machine learning and data analysis. Practical experience building predictive models using SVM and Random Forest to solve real-world problems in Agricultural System and Plastic waste classification. Competent in data preprocessing, statistical analysis, and performance optimisation to improve model accuracy and reliability. Passionate about building intelligent systems and eager to apply technical skills to impactful machine learning projects.

SKILLS

- **Programming Languages:** Java, HTML, CSS, Python
- **SoftSkills:** Problem Solving, Communication, Team Work, Team Management
- **Tools:** Github, VSCode, MYSQL

EXPERIENCE

Web Developer Intern (Corizo Edutech | 2025)

- Developed a responsive E-Learning platform interface using HTML, CSS, and JavaScript. Built multi-user modules (Student, Admin, Teacher) with structured navigation and role-based UI, Implemented interactive features using JavaScript (DOM manipulation and event handling)

DataScience Intern(Corizo Edutech 2025)

- Assisted in collecting, cleaning, and analyzing large datasets to extract meaningful insights, Applied basic Machine Learning algorithms like Linear Regression, Decision Trees Strong problem-solving and analytical thinking skills

PROJECTS

Smart Agricultural System using Decision Tree

- Analysis of smart agricultural system using ensemble method in comparison with decision tree algorithm and Naive biase algorithm
- Tech: Python, Machine Learning

Plastic waste Classification using Random Forest

- IOT-Enabled Plastic Waste Classification Using Random Forest and Support Vector Machine (SVM) and CNN
- Tech: Tech: Data Cleaning, Feature Extraction, Python

EDUCATION

B-Tech in Computer Sciences I CGPA – 9.1

Saveetha School of Engineering, Chennai

Jun 2027

Pre University Course I CGPA – 9.7

SriVasavi Junior college for girls

May 2023

High School Education I CGPA – 9.9

Jeevan Jyothi English Medium High School

June 2021

CERTIFICATIONS AND TRAINING

- Oracle AI Vector Search Certified Professional –Oracle
- Oracle Database SQL Certified Specialist-Oracle
- Introduction to internet of things -NPTEL
- Responsible and Safe ai –NPTEL
- Java Programming Fundamentals-INFOSYS

LANGUAGES

English, Telugu, Tamil.
